

**Help Us Help You in  
Providing A Positive  
Recreation Experience  
in the CCMA**

The Bureau of Land Management (BLM) Hollister Field Office will soon be considering charging fees for recreational use within the Clear Creek Management Area (CCMA). Under the Federal Lands Recreation Enhancement Act (FLREA), all fees collected would be retained by the Hollister Field Office to provide recreation sites, services, and settings that meet quality standards to enhance visitor experience and protect natural and cultural resources. This would be a public process, open for public input from the outset.

**Please respond to the following questions to assist us with planning.**
